It is my LAST day with the kiddos tomorrow! 😔 They have been wonderful to me and I have enjoyed getting to know them! If you have feedback on Class Dojo, I would love to hear it! Any other questions or comments you may have for me I would love to hear those as well. We will have a little celebration tomorrow at the end of the day for my last day and send off for spring break! (After the math test of course!)

Aren't you LUCKY to be in a class so great?

A special Leprechaun

wants to celebrate!

Wants to celebrate!

Follow the clues
and open your eyes.

This will lead you to
a fun surprise!

We had a fun surprise today! Our class was visited by a leprechaun. He led us on hunt for a surprise by using riddles. Our surprise was cake donuts from the Spring Valley bakery! (Ms. Zimmer's favorite bakery 😊)

If You Give
A Python
An Apple

By: Karsten & Gavin

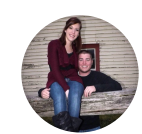

We are becoming authors this week! We are continuing our cause and effect lesson this week with our own creations of "If You Give a Mouse a Muffin".

Adding beards to our leprechauns! A little messy but it sure is fun!

The beginning of our leprechauns. The kiddos don't know what we are using for the beard quite yet....

Subway party for lunch today! Our class raised the most money for Relay for Life so we celebrated with a catered lunch and a movie!

This week we are learning cause and effect. The students will be

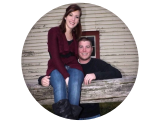

creating their own version of "If You Give a Mouse a Cookie" by Laura Numeroff

Gabe and Peyton are playing the money exchange game to put their coin recognition and counting skills to practice. You can play this at home with your child to get them prepared for the upcoming math test.

We have watched the water evaporate and dry out our potatoes. Now, it's time to paint!
